

Credit System is seeking an expansion of their powers to move beyond their historical focus. "Therein lies its primary flaw—the System's efforts are more about the System's growth and profitability rather than the credit needs of agriculture and rural America. When it comes to commercial agriculture, competition among lenders is healthy and credit is available and affordable."

Let's not fix what isn't broken. Let's keep our government-sponsored lending operations tied to their original purpose and let's support the Frank-Bachus amendment.

The CHAIRMAN. The question is on the amendment offered by the gentleman from Massachusetts (Mr. FRANK).

The amendment was agreed to.

ANNOUNCEMENT BY THE CHAIRMAN

The CHAIRMAN. Pursuant to clause 6 of rule XVIII, proceedings will now resume on the amendment printed in part B of the House Report 110-261, on which further proceedings were postponed.

AMENDMENT NO. 1 OFFERED BY MR. KIND

The CHAIRMAN. The unfinished business is the demand for a recorded vote on the amendment offered by the gentleman from Wisconsin (Mr. KIND) on which further proceedings were postponed and on which the noes prevailed by voice vote.

The Clerk will redesignate the amendment.

The Clerk redesignated the amendment.

Mr. BARTLETT of Maryland and Mr. FRANKS of Arizona changed their vote from "aye" to "no."

Ms. LORETTA SANCHEZ of California, Ms. ZOE LOFGREN of California, Mr. SHERMAN and Mr. WYNN changed their vote from "no" to "aye."

So the amendment was rejected.

The result of the vote was announced as above recorded.

Mr. PETERSON of Minnesota. Madam Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mrs. BOYDA of Kansas) having assumed the chair, Mrs. TAUSCHER, Chairman of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 2419) to provide for the continuation of agricultural programs through fiscal year 2012, and for other purposes, had come to no resolution thereon.

DARFUR: THE GENOCIDE CONTINUES

(Mr. MCGOVERN asked and was given permission to address the House for 1 minute.)

Mr. MCGOVERN. Madam Speaker, 3 years ago the House declared the situation in Darfur a genocide. Since then thousands of people have been killed and 2.5 million displaced. And the situation on the ground grows worse. Attacks against humanitarian workers and African Union peacekeepers are increasing.

I was in eastern Chad in April. Over a quarter of a million Darfur refugees live in camps along the Chad-Sudan border. I talked with many of these men, women, and children. I heard about family members slaughtered; villages burned; children who perished from heat, exhaustion, and hunger in the desperate walk to find safe refuge. I was there when the violence of Darfur spilled over into Chad. Janjaweed militias attacked two Chad villages, overnight 8,000 people displaced. I watched the U.N. and NGOs provide emergency food, water, shelter, and medical care in the middle of nowhere under a blistering sun.

I say to my colleagues, enough is enough. I say to my colleagues, never again. The time to end the killing in Darfur is now.
